**CELEBRATING 25 SEASONS!**

**Book now for the summer of 2022**

June 24 - July 10

**HAMLET**  
By William Shakespeare  
Directed by Dusten A. Welch

Considered the greatest theatrical work of Western civilization, this eternally classic play follows prince **Hamlet** as he seeks to avenge his father's death at the hands of his uncle (who now sits on the throne).

July 22 - August 7

**THE LEARNED LADIES**  
By Molière | Translated by Timothy Mooney  
Directed by Keira McDonald

As Shakespeare was to England, Molière was to France (though admittedly, Molière spent far more time in prison for his art). **The Learned Ladies**, a satirical masterpiece and the last of Molière's great plays, sees young Henriette in love, but not with the gentleman her mother and sister want her to marry. Will Henriette find her true love, or be forced to wed at the whim of her family?
